

# SSUSA's SUNSHINE STATE SHOWDOWN

---

## SESSION 2- Men's 40, 50, 55 & 60 age groups

THANK YOU for participating in this tournament. I appreciate the efforts that each of you are making just to be here, and certainly appreciate your flexibility and patience while the field situation was sorted out.

This is our first event after a 3 month COVID delay. We're going to try and make things as "normal" as they can be but ask that all players respect social distancing guidelines and processes that have been put in place. Some of them may seem odd to you (and they may very well be) but please do your best to follow them. As SSUSA moves forward we will take feedback from teams on what worked, what didn't work and how we can put on a better event the next time.

Managers will receive emails from me in the coming days with details of the COVID rules, but I wanted to point out a few things right off the bat-

We will NOT be providing water jugs in dugouts or around the parks. Each player / team should plan to bring their own water, gatorade, etc to the fields.

We WILL be asking players to police their own dugouts and team areas all weekend. My suggestion is that each player brings a small garbage bag and keep it with their ball bag for their own trash.

Regarding schedules and formats-

With only 3 fields available to us, creative scheduling was required to get everything in, and still give you the 4 game guarantee that was advertised. We've broken teams up into groups that make sense- and have ensured that every team will play a different opponent in each of their first 3 games.
